SUMMARY

Experienced WordPress developer with 9 years of experience designing and developing websites, custom themes, and plugins. Proficient in HTML, CSS, JavaScript, and PHP. Highly skilled in customizing WordPress to meet clients' specific needs. As a freelancer, I have successfully completed multiple projects for clients across the globe. With a keen eye for detail and a passion for delivering high-quality work, I have consistently met project deadlines and exceeded client expectations. Seeking new opportunities to work with innovative companies and individuals to design and develop visually stunning and functional websites.

EXPERIENCE

FREELANCE WORDPRESS DEVELOPER

September 2020 - Present

Designed and developed custom WordPress themes and plugins for a variety of clients, including small businesses, non-profit organizations, and individuals.

Collaborated with clients to understand their unique needs and goals, and delivered solutions that exceeded their expectations.

Communicated clearly and effectively with clients throughout the project lifecycle, ensuring timely delivery and client satisfaction.

Managed multiple projects simultaneously, balancing competing priorities and deadlines.

Developed proficiency in HTML, CSS, JavaScript, and PHP, and stayed up-to-date with the latest trends and best practices in WordPress development.

MIRABARIAN COMPANY

WordPress Developer (September 2019- September 2020)

Mirabarian Company is a multi-disciplinary company that provides consultation services and imports pool, spa, and sauna equipment. During my time at Mirabarian, I was responsible for the following:

Developing and maintaining the company's WordPress website and related sites.

Collaborating with designers and content creators to ensure seamless integration of website features and content.

Contributing to the development of new website features and improvements.

ESNEWS

WordPress Developer (June 2018 - August 2019)

Esnews was a startup focused on esports and gaming news. During my time at Esnews, my responsibilities included:

Developing and maintaining the company's WordPress website and custom theme.

Collaborating with the editorial team to ensure the website content was delivered on schedule and met the required quality standards.

Checking and monitoring the progress of the team's development tasks, providing guidance and support when needed.

NBN COMPANY

Web Developer (June 2015 - August 2019)

NBN is an importer and manufacturer of facilities and construction industry products. During my time at NBN, I was responsible for:

Developing and maintaining the company's website and e-commerce website.

Collaborating with the marketing team to ensure that the website content was delivered on schedule and met the required quality standards.

Monitoring and troubleshooting IT challenges faced by the company.

Providing support to colleagues with IT related issues.
